**SWIM LESSON REGISTRATION  
OPENS THURSDAY, APRIL 27 AT 9AM**

Swim lessons fill very quickly!

**SWIM LESSONS****AGES 4+, LEVELS 1-5, 6/PRE-SWIM TEAM**

Because we are limited in our lesson capacity, **we will limit to one lesson package per child for an early initial registration period.** Starting May 4 at 9 a.m., you may enroll your child for additional swim lessons.

Learn to swim in an outdoor swimming pool at Useless Bay Golf & Country Club. South Whidbey Learn to Swim lessons teach aquatic and safety skills in a logical progression. Our objective is to teach children to be safe in and around water, have fun, and learn basic swimming skills. Children can progress through 6 levels of swimming and safety skills. All classes will participate in Safety Day on the last day of each session. Each class will talk about age-appropriate safety skills as it pertains to pools, beaches, and boating. Certificates will be handed out on the last day of each session.

Please carefully review the website [www.swparks.org/swim-lessons/](http://www.swparks.org/swim-lessons/) for updates on details and changes.

**Registration:** Choose the level most appropriate for your child's ability. If unsure, view the swim lesson class descriptions and skills online at [www.swparks.org/swim-lessons](http://www.swparks.org/swim-lessons). Students' progress through levels at different speeds. When registering for multiple sessions please keep in mind:

Level 3 introduces side breathing and often needs to be repeated.

Level 4, 5 and 6/Pre-swim team are in the deep end.

If your child is registered for a level not appropriate for his/her skills, we will make an effort to place that child in the correct class **only if there is a vacancy.** Do not intentionally register for a level that is not appropriate for your child's skill level. Classes are filled on a first-come, first-served basis. If your desired level class fills, join the online waitlist. There are no make-up days due to personal reasons or weather conditions. We reserve the right to change levels and times. Classes may be canceled if minimum is not met.

## DOG CLASSES

## K9 NOSEWORK®

*Sniffing out fun on Whidbey*

**HANDLERS 16+; DOGS 4+ MONTHS (ALL VACCINATIONS COMPLETED)**

This fast-growing dog sport teaches you how to encourage and develop your dog's amazing natural scenting ability by using its desire to hunt and its love of food, toys, and exercise. Each dog works separately, one at a time, so this is a class for dogs unsuited for a group setting. Classes are offered at all levels, from beginning to advanced dog/handler teams.

**Instructor:** Georgia Edwards is a nationally certified K9 Nosework® Instructor, AKC

scent work judge, NACSW ORT judge and certifying official, and USCSS judge and trial search designer, and the national scent work chair for the American Bouvier des Flandres Club. A retired cancer physician, she first became interested in canine scent discrimination 25 years ago, when her hospital therapy dog was able to identify patients with metastatic breast cancer. k9nosework@whidbey.net

**Location:** Outdoors at Community Park, "The Doghouse" at Community Park, and off-site field trips.

**Schedule:** Ongoing weekly offerings for beginning to advanced levels.

See swparks.org/event/dog-nosework for detailed schedule and fees.

**SUNDAYS**

June 4–July 9 | July 30–Sept 3

**TUESDAYS**

**PUPPY FOUNDATION**

*Education for your puppy*

**ADULT HANDLERS, AND PUPPIES AGES 12-WEEKS TO 1-YEAR**

As your puppy gets into adolescence, it's even more important to set them up for success by teaching them how to make great choices.

The Puppy Foundation class will work on:

- Household manners – being ok in the house, stopping the nipping and biting, growing calmness and house training
- Inspiring great behaviors
- On-leash behavior – easy walks, core concepts and lessons that build the foundation for this before you step outside
- Off-leash behavior – how to be successful with your dog choosing you over the environment & choosing to hang out with you instead

**Pre-requisite:** Adolescent dogs, age 12 weeks to a year. Participants must be able to keep physical control of their dog. We reserve the right to restrict any dog's participation for any reason, for the safety of other dogs and participants. Evidence of current vaccinations required.

**Bring:** Collar, leash, face covering, hand sanitizer, and warm clothes

**Instructor:** Jan Shannon is a professional

dog trainer certified by Karen Pryor Academy (KPA CTP), and Animal Behavior College (ABC DT) and the Certification Council for Professional Dog Trainers (CPDT-KA). For a full description of education, certification, and philosophy, visit www.modernk9training.com
