## AQUATICS

### SWIM LESSONS

#### 4+, LEVELS: 1-5, 6/PRE-SWIM TEAM

Learn to swim in an outdoor swimming pool at Useless Bay Golf & Country Club. South Whidbey Learn to Swim lessons teach aquatic and safety skills in a logical progression. Our objective is to teach children to be safe in and around water, have fun, and learn basic swimming skills. Children can progress through 6 levels of swimming and safety skills. All classes will participate in Safety Day on the last day of each session. Each class will talk about age-appropriate safety skills as it pertains to pools, beaches, and boating. Certificates will be handed out on the last day of each session.

**REGISTRATION OPENS MAY 2 AT 9AM - LESSONS FILL QUICKLY!**

Because we are limited in our lesson capacity, **we will limit to one lesson package per child for an early initial registration period.** Starting May 9 at 9:00 AM, you may enroll your child for additional swim lessons.

Please carefully review the website [www.swparks.org/swim-lessons/](http://www.swparks.org/swim-lessons/) for updates on details and changes prior to registering. If applying for a scholarship, see page 3, do so at least 2 weeks prior to registration opening.

**Registration:** Choose the level most appropriate for your child's ability. If unsure, view the swim lesson class descriptions and skills online at [www.swparks.org/swim-lessons](http://www.swparks.org/swim-lessons). Students' progress through levels at different speeds. When registering for multiple sessions please keep in mind:

- Level 3 introduces side breathing and often needs to be repeated.
- Level 4, 5 and 6/Pre-swim team are in the deep end.

If your child is registered for a level that is not appropriate for his/her skills, we will make an effort to place that child in the correct class only if there is a vacancy. If there is no vacancy, a refund may be necessary (See refund policy). Do not intentionally register for a level that is not appropriate for your child's skill level. Classes are filled on a first-come, first-served basis. If your desired level class fills, join the online waitlist. There are no make-up days due to personal reasons or weather conditions. We

## RACE WHIDBEY

### WHIDBEY ISLAND TRIATHLON

**ADULTS & YOUTH 16+**

Join us for the 28th annual Whidbey Island Triathlon! Beloved by locals and visitors alike for its scenic course and friendly volunteers, the Whidbey Island Triathlon is a great first triathlon for beginners, and still a fun and challenging event for experienced triathletes. The scenic course starts with a 0.5-mile swim in beautiful Goss Lake on Whidbey Island. Leaving the lake on your bike, you'll begin the 19-mile ride on tree-lined paved country roads. The bike course is hilly with views of Saratoga Passage and the North Cascades. Finish with a 3.8-mile run through forest trails at Community Park and soccer fields.

**Chip timing.**

**Extensive support provided by friendly volunteers.** This event has limited space and sells out, so register early! Registration is delayed this year. We do plan to hold the event, though with likely modifications!

**Awards:** Top male and female overall in the triathlon will receive trophies. Top three in five-year divisions will receive neck medals. Top three males and females in King Salmon division will receive neck medals. First place in relay team divisions of male, female, mixed, under 99 years, over 99 years, over 149 years, and over 200 years combined age will receive neck medals.

## DOG CLASSES

### NOSEWORK

**INTRO, INTERMEDIATE & ADVANCED**

*Sniffing out fun on Whidbey*

**HANDLERS 18+ (16+ W/ADULT)**

Nosework is a fun activity and sport for all dogs and is ideal for those needing more confidence, senior dogs, young dogs, super energetic dogs, and reactive dogs. Dogs love to hunt & sniff, and Nosework explores this wonderful behavior in our furry companions. Each dog works individually, so no worries if your dog doesn't do well in a group class. They also work independently; in your first classes, you'll learn to observe what your dog is doing when hunting. This progresses to the two of you working as a team to cover a search area to find a "hide".

**Pre-Requisite:** Participants must be able to keep physical control of their dog on a leash. We reserve the right to restrict any dog's participation for any reason, for the safety of other dogs and participants. Evidence of current vaccinations required.

**Bring:** Harness, leash, and treats

**Instructor:** Jan Shannon (jan@modernk9training.com) is a professional dog trainer certified by Karen Pryor Academy (KPA CTP), and Animal Behavior College (ABCDT) and the Certification Council for Professional Dog Trainers (CPDTKA). **Location:** Community Park Dog House, 5495 Maxwelton Road, Langley; classes meet in classrooms and outdoors.

**Schedule:** Ongoing weekly offerings for beginning to advanced levels.

## PUPPY FOUNDATION

Education for your puppy

**AGES 18+**

**ADULT HANDLERS, AND PUPPIES AGES 12-WEEKS TO 1-YEAR**

As your puppy gets into adolescence, it's even more important to set them up for success by teaching them how to make great choices. The Puppy Foundation class will work on:

- Household manners - being okay in the house, stopping the nipping and biting, growing calmness, and house training
- Inspiring great behaviors
- On-leash behavior – easy walks, core concepts, and lessons that build the foundation for this before you step outside
- Off-leash behavior – how to be successful with your dog choosing you over the environment & choosing to hang out with you instead

**Pre-requisite:** Adolescent dogs, age 8 weeks on. Participants must be able to keep physical control of their dog. We reserve

the right to restrict any dog's participation for any reason, for the safety of other dogs and participants. Evidence of current vaccinations required.
